

JESUIT SEISMOLOGICAL ASSOCIATION AWARD for CONTRIBUTIONS TO OBSERVATIONAL SEISMOLOGY

The Eastern Section of the Seismological Society of America requests nominations for the 18th annual Jesuit Seismological Association Award for Contributions to Observational Seismology. The award honors outstanding contributions to observational seismology and may be given for one specific contribution or for contributions through the years. There are no restrictions on the recipients or achievements that can be nominated, but preference will be given to:

- Members of the Eastern Section
- Members of the Seismological Society of America
- Contributions to the understanding of seismology and/or seismotectonics in eastern North America

The recipient will be selected by an awards committee established by the Eastern Section. Nominations must be made by a member of the Eastern Section. If you wish to nominate someone, please fill out the following:

Name: _____
Institution: _____
Location: _____
Telephone: _____
Nominee: _____

and send a copy of it, along with a one-page rationale for your nomination, to:
