PUBLICATION CHARGES

The Seismological Society of America requests that institutions supporting research share in the cost of publicizing the results of that research. The Editor has the discretion of waiving page charges for authors who do not have institutional support. Current rates are available at <http://www.seismosoc.org/publications/bssa/authors/bssa-page-charges.php>

Color options: Color figures can be published (1) in color both in the online journal and in the printed journal, or (2) in color online and gray scale in print. Online color is free; authors will be charged for color in print. You must choose one option for all of the color figures within a paper; that is, you cannot choose option (1) for one color figure and option (2) for another color figure. You cannot submit two versions of the same figure, one for color and one for gray scale. You are responsible for ensuring that color figures are understandable when converted to gray scale, and that text references and captions are appropriate for both online and print versions. Color figures must be submitted before the paper is accepted for publication.

Art guidelines are at <http://www.seismosoc.org/publications/bssa/authors/bssa-art-submissions.php>
