

Offprint Charges

If offprints are desired, they must be ordered at the time you submit your final files.

If your article has color figures, there is an additional charge of \$80.00 per order.

Add \$75.00 for offprint covers.

SSA does not offer free offprints. Except for the first 50 copies (the minimum order), all offprint orders are in increments of 100. An order for any other quantity will be regarded as an order for the next higher increment.

The rates below include shipping to North American addresses only. For orders outside North America, there is an additional charge of \$50 per order for shipping. Offprints are normally shipped within a week after publication of the issue in which the article appears.
