

Thanks for filling out [2019 SSA Annual Meeting Travel Grant Application](#)

Here's what we got from you:

## 2019 SSA Annual Meeting Travel Grant Application

DEADLINE: 30 November 2018, 5:00 p.m. Pacific

SSA awards travel grants each year in order to support student and international member participation at the Annual Meeting. There are three types of travels grants offered by SSA:

1. The Student Travel Grant is available to SSA student members from inside or outside the USA who must travel more than 500 km (311 miles) to attend the meeting.
2. The International Travel Grant is available to SSA members who are not students and who must travel from outside the US to attend the SSA meeting.
3. The ESC/SSA Travel Grant is available to anyone traveling from a member-state of the European Seismological Commission. This grant is provided under a cooperative agreement between SSA and ESC.

These grants waive the registration fee and include a modest cash award to help subsidize the cost of travel, food and lodging. Applicants will be notified of their award status no later than 20 December 2018, well before the 11 January 2019 deadline for abstract submissions. All grant recipients must submit a first-authored abstract and present their work in either an oral or poster session at the meeting.

[ssagrants@seismosoc.org](mailto:ssagrants@seismosoc.org)

**Please select the grant you are applying for: \***

- Student Travel Grant
- International Travel Grant
- ESC/SSA Travel Grant

### Applicant Information:

**First Name: \***

Jane

**Middle Initial(s):**

A

**Last Name: \***

Clark

**Affiliation: \***

University of Sample

**Email: \***

[ssagrants@seismosoc.org](mailto:ssagrants@seismosoc.org)

**Mailing Address (Street Address, City, State/Province, Zip/Postal Code and Country): \***

400 Evelyn Avenue, Albany, CA 94703

### Abstract:

All grant recipients must submit a first-authored abstract and present their work in either an oral or poster session at the meeting. If selected for a travel grant, recipients must still submit their abstracts through the abstract submission form open from 1 December 2018 to 11 January 2019.

**Abstract Title: \***

Abstract Title

**Abstract Authors Information (Author 1 Name, Institution, State/Province, Country; Author 2...): \***

Jane A. Clark, University of Sample ([ssagrants@seismosoc.org](mailto:ssagrants@seismosoc.org)); Lila Cerullo, Sample State University ([abstracts@seismosoc.org](mailto:abstracts@seismosoc.org)); Emma Rouault, Sample College ([program@seismosoc.org](mailto:program@seismosoc.org))

**Abstract Description (Maximum length 2,000 characters): \***

Sample abstract description submitted to conference here.

### Applicant Statements:

Answer the following questions in short answer form.

#### Why should you be selected for a travel grant? \*

There are a number of reasons why I believe I should be selected for a travel grant to the Annual Meeting. I presented my research at another conference last year. This was a tremendous boon to my research, as I gained a great number of new insights from seasoned professionals in the field. I hope to share my work with a wider audience to receive more feedback and collaborate with colleagues. I would like to learn about new research. I would like to attend the workshop titled "Sample" to learn about the new mechanism that is related to my research. Additionally, I see that there is a session on the Gorda Segment of the Cascadia Subduction Zone, which is directly related to my research. I would be grateful to attend this session and hear talks by speakers that directly impact my work. I would also like meet and collaborate with other attendees. I would like to receive feedback on my research and help others by giving feedback on their research.

#### What is required for your travel to the meeting? (In the past, some awardees have not been able to arrange travel to the meeting. To help us avoid this scenario, please provide a draft itinerary for your travel to the meeting and your plan for overcoming any potential hurdles.) \*

I will need to get a travel visa to attend the meeting. Once I know if I will receive a travel grant, I will book my flight and hotel accommodations. Estimated Costs:  
Total: \$1,500  
Plane Tickets: \$562.50  
Conference Fee: \$235  
Accommodation: \$502.50  
Meals: \$200  
My university can only give me a small amount of funds to help me attend this conference (\$200). I am a graduate student in an expensive city, which does not offer much opportunity for me to save up to attend conferences. If I do not receive additional funds, I will not be able to attend this conference.

### STUDENTS: Faculty Letter of Support

Please note: In order for their applications for a Student Travel Grant to be considered, all students applying must have a faculty advisor submit a 1-2 paragraph letter of support. All letters should be sent to [ssagrants@seismosc.org](mailto:ssagrants@seismosc.org). The deadline for letters is also 30 November 2018, 5:00 p.m. Pacific.

### Complete Application
