

The Seismic Record Submission Checklist

Title Page

- 1a Full article title
- 1b Full author list
- 1c Corresponding author indicated and contact information provided
- 1d Conflict of interest statement
- 1e Word count (excluding references, figure and table captions; inclusive of Abstract, Declaration of Competing Interests, Data Availability Statement)

Layman Description

- 2a Layman Description included (150 words / 1 paragraph)

Abstract

- 3a Abstract included (200 word limit)

Manuscript Text

- 4a Text is double-spaced
- 4b Document includes continuous line numbering
- 4c Document includes page numbers
- 4d Citations in the text should appear by the name(s) of the author(s), followed by the year of publication in parentheses, e.g., Johnson and Smith (2017)
- 4e Data and Resources is included following the manuscript text and proceeding any Acknowledgments
- 4f Data Availability Statement and Declaration included

Reference List

- 5a No more than 30 references listed
- 5b References should be arranged alphabetically by author and should follow the style of examples below.

Hough, S. E., and S. Martin (2002). Magnitude estimates of two large aftershocks of the 16 December 1811 New Madrid earthquake, Bull. Seism. Soc. Am. 92 3259-3268.

Gutenberg, B. (1959). Physics of the Earth's Interior, Academic Press, New York, 111-113.

Laster, S.J., M. M. Backus, and R. Schell (1967). Analog mode studies of the simple refraction problem, in Seismic Refraction Prospecting Albert W. Musgrave (Editor), Society of Exploration Geophysics, Tulsa, Oklahoma, 15-66

Miscellaneous Items

- 6a Full mailing address for each co-author
- 6b Complete figure captions list
- 6c Do not exceed 5 figures and/or tables

Figures

- 7a Submit figures as separate high-resolution files (that is, one figure per file) in either TIFF, JPEG, or high-resolution PDF format. Upload each figure file separately, making sure it does not exceed 10 mb per file.
- 7b Ensure that all figures are cited/called out within the manuscript text

Tables

- 8a Submit tables as separate Word document (.docx or .doc) format files.
- 8b Include captions above each table
- 8c Ensure that all tables are cited/called out within the manuscript text

Supplemental Materials

- 9a Obtain permission from the Editor-in-Chief prior to submitting Supplemental Material. Upload this permission approval to your submission using the Letter to the Editor file type
- 9b If your article has Supplemental Material, submit the file(s) with an optional cover page as described at <http://www.seismosoc.org/publications/esupps/>.
- 9c Add a one-sentence description of the supplemental material to the Data and Resources section of your

article using the following format: "Supplemental
Material for this article includes ..."
