SSA Meeting at a Glance

19-23 April 2021

*All times in Pacific

Monday, 19 April

8:30-9:30 a.m.

Opening Keynote: "What Have We Learned About the Earth's Interior from Seismology in the Last 40 Years?" with Barbara Romanowicz, University of California, Berkeley

9:45-11 a.m.

Oral Sessions

11-11:30 a.m.

Oral Session Rooms remain open for discussion.

11:30-12:30 p.m.

Poster Time and Networking Rooms

12:30-1:30 p.m.

Joyner Lecture by

Julian J. Bommer, Imperial College of Break London

1:30-2 p.m.

Break

2-3:15 p.m.

Oral Sessions

3:15-3:45 p.m.

Oral Session Rooms remain open for discussion.

3:45-4:45 p.m.

Poster Time and Networking Rooms

4:30-4:45 p.m.

President's Address. William R. Walter

5-6:15 p.m.

Oral Sessions

6:15-6:45 p.m.

Oral Session Rooms remain open for discussion.

Tuesday, 20 April

8:30-9:30 a.m.

Machine Learning in Seismology: A Fireside Chat

9:45-11 a.m.

Oral Sessions

11-11:30 a.m.

Oral Session Rooms remain open for discussion.

11:30-12:30 p.m.

Poster Time and Networking Rooms

12:30-2:15 p.m.

Can We Talk? Film and Discussion with Kendall Moore

2:15-2:30 p.m.

2:30-3:45 p.m.

Oral Sessions

3:45-4:15 p.m.

Oral Session Rooms remain open for discussion.

4:15-5:15 p.m.

Poster Time and Networking Rooms

5:15-6:30 p.m.

Oral Sessions

6:30-7 p.m.

Oral Session Rooms remain open for discussion.

Wednesday, 21 April

8:30-9:30 a.m.

"Effective Earthquake Communication to Three Different Players" with Xyoli Pérez-Campos, Instituto de Geofísica, Universidad Nacional Autónoma de México

9:45-11 a.m.

Oral Sessions

11-11:30 a.m.

Oral Session Rooms remain open for discussion.

11:30-12:30 p.m.

Poster Time and Networking Rooms

12:30-1:30 p.m.

Innovation Showcase

12:30-1:30 p.m.

Special Interest Group on Historical Seismograms

1:30-2 p.m.

Break

2-3:15 p.m.

Oral Sessions

3:15-3:45 p.m.

Oral Session Rooms remain open for discussion.

3:45-4:45 p.m.

Poster Time and Networking Rooms

5-6:15 p.m.

Oral Sessions

6:15-6:45 p.m.

Oral Session Rooms remain open for discussion.

Thursday, 22 April

8:30-9:30 a.m.

Geodesy Panel

9:45-11 a.m.

Oral Sessions

11-11:30 a.m.

Oral Session Rooms remain open for discussion.

11:30-12:30 p.m.

Poster Time and Networking Rooms

12:30-1:30 p.m.

"Rules and Outliers in Seismology-Implications for Hazard Mitigation Strategy" with Hiroo Kanamori, California Institute of Technology

1:30-2 p.m.

Break

2-3:15 p.m.

Oral Sessions

3:15-3:45 p.m.

Oral Session Rooms remain open for discussion.

3:45-4:45 p.m.

Poster Time and Networking Rooms

5-6:15 p.m.

Oral Sessions

6:15-6:45 p.m.

Oral Session Rooms remain open for discussion.

Friday, 23 April

8:30-9:30 a.m.

Environmental Seismology Panel

9:45-11 a.m.

Oral Sessions

11-11:30 a.m.

Oral Session Rooms remain open for discussion.

11:30-12:30 p.m.

Poster Time and Networking Rooms

12:30-1:30 p.m.

Seismology Career Panel: Pathways to National Laboratories, Data Science, the Oil and Gas Industry and Consulting/Risk Analysis

1:30-2 p.m.

Break

2-3:15 p.m.

Oral Sessions

3:15-3:45 p.m.

Oral Session Rooms remain open for discussion.

3:45-4:45 p.m.

Poster Time and Networking Rooms
