

# The Seismic Record Submission Checklist

## Title Page

1a	Full article title	_____
1b	Full author list including affiliations	_____
1c	Corresponding author indicated and contact information provided	_____
1d	Conflict of interest statement	_____
1e	Word count (excluding references, figure and table captions; inclusive of Abstract, Declaration of Competing Interests, Data Availability Statement)	_____

## Abstract

2a	Abstract included (200 word limit)	_____
----	------------------------------------	-------

## Manuscript Text

3a	Text is double-spaced (not more than 3,500 words)	_____
3b	Document includes continuous line numbering	_____
3c	Document includes page numbers	_____
3d	Citations in the text should appear by the name(s) of the author(s), followed by the year of publication in parentheses, e.g., Johnson and Smith (2017)	_____
3e	Data and Resources is included following the manuscript text and proceeding any Acknowledgments	_____
3f	Data Availability Statement and Declaration included	_____

## Reference List

4a	No more than 30 references listed	_____
4b	References should be arranged alphabetically by author and should follow the style of examples below.	_____

Hough, S. E., and S. Martin (2002). Magnitude estimates of two large aftershocks of the 16 December 1811 New Madrid earthquake, Bull. Seism. Soc. Am. 92 3259-3268.

Gutenberg, B. (1959). Physics of the Earth's Interior, Academic Press, New York, 111-113.

Laster, S.J., M. M. Backus, and R. Schell (1967). Analog mode studies of the simple refraction problem, in Seismic Refraction Prospecting Albert W. Musgrave (Editor), Society of Exploration Geophysics, Tulsa, Oklahoma, 15-66

---

### Miscellaneous Items

- 6a Complete figure captions list
- 6b Do not exceed 5 figures and/or tables

---

### Figures

- 7a Submit figures as separate high-resolution files (that is, one figure per file) in either TIFF, JPEG, or high-resolution PDF format. Upload each figure file separately, making sure it does not exceed 10 mb per file.
- 7b Ensure that all figures are cited/called out within the manuscript text
- 7c Ensure that all figures include alt-text.

---

### Tables

- 8a Submit tables as separate Word document (.docx or .doc) format files.
- 8b Include captions above each table
- 8c Ensure that all tables are cited/called out within the manuscript text

---

### Supplemental Materials

- 9a If your article has Supplemental Material, submit the file(s) with an optional cover page as described at <http://www.seismosoc.org/publications/esupps/>.
- 9b Add a one-sentence description of the supplemental material to the Data and Resources section of your article using the following format: "Supplemental Material for this article includes ..."
